## TARIFF OF UNITED STATES FOREIGN SERVICE FEES<sup>1</sup>

The following Tariff of United States Foreign Service Fees, prescribed by the President under authority of section 1745, Revised Statutes, as amended (22 U. S. C. 127), shall be charged by diplomatic and consular officers and all persons connected with embassies, legations, or consulates for official services. All charges for such services must be in strict accordance with this tariff, and be collected in the coin of the United States or at its representative value in exchange. (22 U. S. C. 128.) For each and every fee where the representative value in exchange is collected instead of the coin of the United States, there shall be collected a sufficient amount of foreign currency to enable the officer to purchase as of the date of collection a sight draft in the amount of the fee as prescribed by this tariff payable at par to the Treasurer of the United States. No fee or compensation will be collected for any service not covered by this tariff.

No fees prescribed in this tariff shall be charged or collected by officers for official services to American vessels or seamen. (22 U. S. C. 89.) Undocumented vessels owned by American citizens and vessels documented under the laws of the Philippine Islands are not exempt from the payment of the fees prescribed herein. Consular agents will make the fees prescribed in this tariff for services to vessels and seamen a basis of collection from the Treasury for those services.

All fees must be paid in advance and before the fee stamps are canceled, except in case of attendance out of office or of commissions where the amount cannot be determined until the service is performed. In the latter cases the amount of the fees shall be carefully estimated, and in these cases only, the estimated cost of the service shall be deposited with the officer before the service is performed, subject to refundment of any balance remaining.

A copy of this tariff shall be posted in a conspicuous place in diplomatic and consular offices. (22 U. S. C. 101.)
